

Accessibility Statement for AIReF's website

In compliance with article 15 of the [Royal Decree 1112/2018, of 7 September, on the accessibility of websites and applications for mobile devices in the public sector \(hereinafter, RD 1112/2018\)](#), the Independent Authority for Fiscal Responsibility (AIReF) issues the following accessibility statement in respect of the website <http://www.airef.es>:

Compliance

The website is partially compliant with the provisions of RD 1112/2018, due to the following circumstances:

- On the portal there is content in English whose language is not properly labelled.
- There may be occasional editing errors on any web page.
- There may be office files in PDF or other formats published before 21 October 2018 that do not fully comply with accessibility requirements.

Preparation of this accessibility statement

This statement was prepared on 31 October 2018.

The method used to prepare the statement was a self-assessment carried out by the Authority itself.

Last revision of the statement: 31 October 2018.

Comments and contact details

By using the following e-mail address (gerencia@airef.es) or by calling +34 918252088, any citizen or interested party may submit communications on accessibility requirements (Article 10.2(a) of the RD 1112/2018), such as:

- report any possible non-compliance by this website,
- transmit other difficulties in accessing the content,
- or make any other query or suggestion for improvement concerning the accessibility of the website.

Communications will be received and processed by the Unit responsible for accessibility: the Management of AIReF.

Complaints procedure

The provisions relating to the complaints procedure set out in article 13 of RD 1112/2018 shall enter into force on 20 October 2020 (final fifth provision of RD 1112/2018).

Optional content

This website complies with the requirements of the Standard UNE-EN 301549 v1.1.2:2015, considering the exceptions of the RD 1112/2018.

The last review was conducted in October 2018.

The website is optimised for the browsers M.S. Internet Explorer 8.0 or later versions and the latest versions of FireFox, Safari, Opera and Google Chrome. The recommended minimum web resolution is 1280x1024.

The website uses responsive web design, which means it can be viewed optimally on tablet and mobile devices. On these devices the website is optimised for viewing in the latest versions of Chrome for mobile, Firefox for mobile, Safari mobile, Opera Mini and Android native browser.
